MARKETING AGREEMENT WITH DIETRICH INDUSTRIES

1 800 887 4708

www.structawire.com

September 15, 2010

Structa Wire Corp. and Dietrich Metal Framing are pleased to announce a new marketing agreement for the Structa Wire line of products in Louisiana, Oklahoma and Texas.

Effective September 15th, 2010, all Structa Wire products will be sold and serviced by the Dietrich sales teams located in Baytown, TX (281)383-1617 and Hutchins, TX (972)225-1100.

Dietrich Metal Framing will maintain an inventory of these products in the Texas facilities to provide quick service to the local market. Larger quantities will ship directly from the Structa Wire factory.

Dietrich Sales personnel will handle all price and delivery communications. Additional technical and engineering services will be provided by Structa Wire personnel at (800) 887-4708, or www.structawire.com

Structa Wire and Dietrich Metal Framing are committed to providing the highest performing lath products, and the best service in the industry. We will continue to invest in new more efficient products and systems to meet ever rising standards for energy and efficiency.

We thank you for your past and future support.
